

Ermenegildo Zegna Accessories Collection – Spring / Summer 2008

'The World of Zegna Accessories'

Since 1910 Ermenegildo Zegna had the vision to bring the best wool fabrics to the world. This tradition of excellence is continued today with our vision to bring a complete Accessories Collection from the World of Zegna - that is distinctive & elegant, ensuring a cohesive total wardrobe for the Zegna man.

Leather Goods

The 'Heritage' line has been developed for a man who appreciates serious business and the correct accessories in life – tanned, aged and polished by hand to sheer perfection in order to last a lifetime. In a rich ox blood embossed cowhide, with subtle contrast stitching and brushed palladium furnishings. The interiors are lined with an iconic black pinstripe of the Zegna House with a true '*cimossa*' (*selvage*).

The collection consists of single, or double briefcases, holdall, pochette, billfolds, coin purses and card case to tease a wanting collector - in rich tones of ox blood, shiny alligator and chocolate brown.

'Bielmonte' the casual travel accessories line, is the chic expression of Ermenegildo Zegna leisurewear, named after the highest peak in the environmentally protected Oasi Zegna. The collection consists of naturally tumbled cowhide leather bags & accessories, with suede touch microfibre lining, light gold effect metal hardware and hand-stitched logos.

The iconic bag for the summer is the cylinder shaped travel holdall, in sumptuous beige leather ideal for long weekends away or for the gym; the range extends to messenger bags, satchels and travel pouches.

Lounge and Underwear

Artfully designed and created to satisfy all the intimate wardrobe requirements of the Zegna man. Expanding from under garments through to nightwear, lounging robes and socks.

Tailored dressing gowns, inspired by tuxedo jackets are offered in crisp white poplin cotton, with contrasting black piping and adorned with the Zegna family crest; are worn with corresponding herringbone boxer shorts, recalling the image of the 'Couture Line'.

Colourful and vivacious stretch cotton boxer shorts, with livery striped waistband give a younger ambience to the collection in summer blues, reds, greys and yellows.

Ermenegildo Zegna Eyewear

The sunglasses collection reflects the luxurious spirit and stylistic canons of the main collection through superb materials, sleek lines and contemporary Italian elegance.

The 'Racing' frame evokes a vivid motoring image, through perforated leather details on a classic sports aviator frame in racing red tones. Whilst the 'Cortina' metal aviator frame, with vintage styling & distinctive wood panel details, conjures images of film icons from bygone eras.

Neckwear Collection

The iconic tie for the season, 'Montenapoleone 27', has a silk knit front with fine gauge woven wool under blade. The contrasting knit and woven textures, give a casual elegant look that is stylish and smart. Offered in a colour palette of summer pastels and traditional tones, featuring either bold stripes or embroidered microdots.

'Montenapoleone 27' commemorates the new 7,000 square foot Milan concept store, which will open its doors in Fall 2007. Designed by the acclaimed architect Peter Marino, the new retail concept will house all the brands from the World of Zegna.
